ORDER:-

The Joint Managing Director, APSIDC Ltd., in his letter 2nd read above has submitted proposal for according administrative approval for the work "Revival of Daddireddipalli Shallow Tube Well Scheme on Papagni River in Kamalapuram Mandal, YSR District" for Rs.101.33 lakhs to stabilize an ayacut of 120 acres stating that during 1990-91, APSIDC has taken up I.F. Well Scheme (3Nos.) on Papagni River Bed to provide irrigation facility to an extent of 120 acres under PASMA 1989-90 programme. The scheme was commissioned during 1991 and worked up to 1996 after handing over to the beneficiary committee. Due to non-payment of CC charges and non attending Electrical and Mechanical works by the Committee, the scheme has become defunct. Infrastructure was stolen away and wells were totally damaged during 2001 floods. As per the request made by the public representatives, Government in G.O. 1st read above has accorded administrative approval for Daddireddipalli Shallow Tube Well Scheme in Kamalapuram Mandal for Rs.93.00 lakh to benefit to the above ayacut of 120 acres. Works were completed duly constructing the 4 Nos. of Shallow Tube Wells, construction of individual and combined pressure main installation of 20 HP submersible pump sets along with accessories (4Nos.) duly providing dedicated power supply to the scheme. The scheme has functioned satisfactorily up to 01/2013 and due to continuous dry spell and poor rains, the water level in the Papagni River Bed has depleted. Hence, the water could not be pumped from the Shallow Tube Wells. The Scheme is idle due to depletion of water table in the Papagni River. Good source of water is available on upstream side of Papagni River at a distance of 3 km from existing Shallow Tube Wells.

2. Government after careful examination, hereby accord administrative approval for the work "Revival of Daddireddipalli Shallow Tube Well Scheme on Papagni River in Kamalapuram (M), YSR District" for **Rs.100.18 lakhs** (Rupees one crore and eighteen thousand only) to stabilize an ayacut of 120 acres. Before according Technical Sanction, the Joint Managing Director, APSIDC Ltd. shall take necessary action on the following points.

PTO

1. Ground Water Clearance shall be obtained before according technical sanction.
2. The Joint Managing Director, APSIDC shall ensure correctness of quantities, leads, rates and data, proposed in the estimate.
3. Discharge and design calculations shall be got approved by the competent authority.
4. Multiple quotations shall be obtained for non SSR items.
5. Supporting details shall be obtained from Ground Water Department / AP Transco, for the provisions proposed towards survey and investigation charges and towards service line charges for extension and deposits payable to AP Transco.

3. The amount sanctioned in para 2 above shall be debited to the Head of Account 4702 – MH -101 – GH (11) – SH (15) – 530/531.

4. The Joint Managing Director, APSIDC shall take necessary action accordingly.

5. This order issues with the concurrence of the Finance (FMU.WR.I) Department vide their U.O.No.47027/25/(FMU WRD1)/2017, dated 18-05-2017.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
